Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Saturday 13 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cold and windy. Rain and snow dying out..

This Evening and Tonight:
Cloudy and windy, with early snow in some places, with rain or sleet near coasts. Turning mostly dry by the early hours. Temperatures not as low as recently, but still cold and frosty with icy stretches. Minimum temperature -1 deg C (30 deg F).

Sunday:
Cold, windy and mainly cloudy start. Icy conditions in places especially in west during Sunday morning as bands of rain perhaps initially freezing spread eastwards. Thaw of lying snow. Maximum temperature 4 deg C (39 deg F).

Outlook for Monday to Wednesday:
Noticeably milder with a widespread thaw. Rain clearing early on Monday then sunny spells. Windy Tuesday and Wednesday with some sunshine, but also occasional rain and showers. Gales possible Wednesday.
